Overview

Consequent to the grand success of FGI EXPO 2010- Ancillary Development Summit, held in December 2010, FGI is now poised to organize the 2nd edition of its flagship event, FGI EXPO 2013 - Auto Summit from 3rd to 5th January 2013 at its state of the art Business Centre in Vadodara, Gujarat. The Government of Gujarat's mandate to hold the FGI EXPO 2013 as a precursor to the Vibrant Gujarat 2013 Summit, supported by INDEXTb, Govt. of Gujarat and the presence of prominent players from the auto industry will give a great thrust to Large and MSME sectors.

Auto Industry

India has emerged globally as one of the largest markets for automobiles. As the purchasing power and aspirations of the Indian consumer continues to rise, the demand for automobiles will witness sustained growth over the next few decades.

Gujarat Government's investor-friendly approach, transparency, excellent infrastructure, easy connectivity to ports, an efficient network of rail and road; and its commitment to develop the proposed Delhi-Mumbai Industrial Corridor (DMIC), a high impact industrial corridor on both side of the Dedicated Freight Corridor (DFC) continues to attract huge investments in Gujarat, as 38% of the DMIC route passes through Gujarat, making the State a nerve centre of booming activities.

Gujarat today is on the threshold of becoming the "Speed Capital of India". Major Auto Companies in India and abroad have either commenced or are in the process of setting up plants in this region.

With the increasing production of automobiles in the State, the requirement for auto components is also rising. The FGI EXPO 2013 – AUTO Summit will act as a platform for B2B meetings to facilitate interactions between the large Business houses and MSME's for automobile related products and services.

Aim

To facilitate and forge partnerships between major automobile manufacturing industries and MSMEs from the Auto Sector for a smooth and effective synergy to boost the Auto industry in the state of Gujarat. The FGI AUTO EXPO 2013 is a focused exhibition striving to bring B2B benefits to the Exhibitors and industrial visitors from Auto Sectors.

Scope Of The Exhibition

About FGI

The FGI was founded in the year 1918 in the erstwhile Vadodara State under the progressive rule of Shrimant Sayajirao Gaekwad who encouraged social reforms and industrial development.

The FGI has its archives full of events associated with the vast industrial growth in and around Vadodara

The FGI Business Centre at Sevasi consists of a state-of-the-art Auditorium, Exhibition Hall, Board Room, Committee Room and Lush Lawns for benefit of the Business and Industrial Community.

The Federation has instituted 14 awards in the field of Industrial and Economic excellence including the social sphere to give recognition and support to individuals.

The Federation publishes its Bulletin which covers multifarious issues and information useful for the industries so as to keep them apprised on latest developments in business and industrial matters.

FGI regularly conducts Conferences/Seminars and Workshops, Training Programmes etc. on current business topics.

The DGFT has authorized FGI to issue Certificate of Origin for export purposes. FGI is also authorized to issue Recommendation letter for Visa for business purpose.
